

How to arrive at El Colibri

From Córdoba Airport - 60km - 45min

When you leave the airport, turn on you left, after 3 km take the direction to Jesús María by road 9 North (on your right). You will arrive on a high speed motorway turn again on your right (Jesus Marias 9N) After approximately 25km you will pass throw a toll. Once arriving at Jesus Maria you will have a Shell Gaz station on your left, in this roundabout take the way to the left in the direction to Ascochinga, Estancia Jesuítica Santa Catalina.

After 12 km, once you passed the city, you will see a sign on the right that says Santa Catalina, you must take this graveled road.

After 7 km you will pass between two properties entrances La Portenita y La Porteña, the Estancia de Charme El Colibri is the following one, 500 mts away.

There is no sign but you will easily recognize it by the position of guard and the pink small houses with thatched roof.

From Salta - 800km - 10hrs

The shortest way is to take the national road 9 from Salta to Tucuman and then the National road 157 from Tucuman to Jesus Maria.

In term of landscapes a very nice option is to go from Salta to Cafayate (Road 68), and then Cafayate - Tafi del Valle (road 40), and follow on the road 157 to Jesus Maria (850km).

From Mendoza - 660km - 8hrs

Exit Mendoza with the Road 40 north (way to San Juan), after 27km, take the road 142 that changes after 94km to be the road 20 until Córdoba. You will cross 2 national parks and Córdoba's mountains that offer you a very nice scenery.

Another option is to go trough San Luis and Rio Cuarto. It is a longer way (760km) as you go around the mountain and don't cross it, but it is an easier option in winter.

Timetable
